

# AGRICULTURAL CAREERS

## IN THE WORLD OF POSSIBILITIES THERE'S OPPORTUNITY.

This isn't your typical "ag" event – it's a look at the future of an industry that's as diverse and dynamic as you are. Don't miss this chance to explore a world of opportunities where your skills and passions can thrive.

### *Think agriculture is just about farming?* **THINK AGAIN!**

Get ready to uncover the surprising, high-tech world of modern agriculture at Ag Innovation Day — where science, technology, and innovation come together to shape the future. Whether you're into gadgets, coding, the environment, or business, this event has something for you.

**TECHNOLOGY & INNOVATION:** *Ever flown a drone? How about using AI to solve real-world problems?*  
See how agriculture is using the latest tech to change the game.

**CAREER OPPORTUNITIES:** *Interested in global challenges like sustainability or food security?*  
Discover careers you never knew existed—where you can make a difference.

**HANDS-ON EXPERIENCES:** *Get up close with the coolest tools and technologies that are driving the future of food, energy, and beyond.*
